### Vice-Principal's Message

Welcome back to all Britt students, and families for another great school year. A very special welcome to all our students, families and staff members that are new to our school community this year. It was exciting to have our JK students join us this September and to see the growth they have already made during their first month in kindergarten. It has been amazing to see their energy and enthusiasm for learning. Our focus in academics this year will remain on developing effective readers and writers and increasing numeracy skills across all grades. Creating an inclusive and safe learning environment at the school is always our priority. We look forward to seeing you at this school this year, please check our calendar for upcoming events.

### Orange Shirt Day - Every Child Matters

The students/staff at Britt School wore orange on Friday, Sept. 29th. to honour the children who survived the Indian Residential Schools and remember those that didn't.

# Last Year's Britt School Pow-Wow

# Badminton
