

Happy New Year Magnetawan Dragons!

I hope that you all had a wonderful holiday. We are excited to be back at school and to hear the holiday adventures that our students have to share.

It was nice to arrive back to a fresh coat of paint in our hallways, which has brightened up the school.

We are excited to welcome Ms. Melissa Evers and Ms. Sonya Doyle to our teaching staff. Ms. Evers will be teaching our grade 6/7/8 class as well as our FSL and Ms. Doyle will be teaching our grade 6/7/8 class for a small portion of time each week.

We are looking forward to the exciting learning opportunities that 2018 holds for our staff and students!

Kindergarten Registration

We are now accepting Kindergarten Registrations for the 2018/2019 School Year. This will be for students enrolling in school for the first time. Children born in the year 2014 are eligible for Junior Kindergarten in September 2018. Upon registering we will require a health card, immunization record, and a birth or baptismal certificate.

If you know of anybody with children not currently at M.C.S., please encourage them to register in advance. We will be having an open house in the spring for parents and new students.
