Secretary

Important Notice

Allergies

Dear Parents/Guardians:

The number of students and staff members that are allergic to fragrances, eggs or peanut butter/nut products in our school is growing. Again this year, Mapleridge endeavors to be a “scent and nut –free” environment. Mapleridge families and the school staff work together to minimize allergens in the school. Teaching staff and educational assistants are very knowledgeable about these allergies and will continue to inform and remind students and parents about the severity of wearing fragrances and/or bringing nut products to our school.

For your information, please consider the following important reminders:

- **“No scents makes good sense!” Please do not allow your child to wear perfume, scented body spray or scented lotions while attending the school.**
- **After eating peanut butter or other nut products at home, students and parents should wash thoroughly with soap and water before coming to school.**
- **Pack lunchboxes carefully. Please do not send your child to school with nut products and or eggs. Products containing eggs, such as mayonnaise, are allowed.**

Thank you, in advance, for your support and efforts to keep Mapleridge children safe.
