

Do you like... Working with your hands?
 Building and assembling things?
 Learning by doing?
 Taking things apart?
 Working on things and making them better?

Think about becoming a tradesperson!

1	Elastic
2	Propeller
3	Wood Frame
4	Wheel
5	Dowel
6	Straw
7	2 Way Tape

OYAP is a high school program that allows you to try a wide variety of apprenticeship careers in the skilled trades such as carpenter, hairdresser, auto mechanic, and more. Start your journey as soon as grade 11 through the Cooperative Education Program.
