

Seeking Feedback from Stakeholders (Internal and External)

<<LINK TO DRAFT 2016-2020 MULTI-YEAR PLAN HERE>>

We are very excited to reach out to our stakeholders to seek feedback on our draft 2016-2020 Multi-Year Plan. Engaging our parents, students, staff and members of our communities in our strategic planning process is very important to us as we are committed to ensure that our multi-year plan is reflective of our collective views. Working together, we will continue to educate learners to their fullest potential in preparation for life-long learning.

Broad stakeholder consultation shaped the Board's previous Strategic Plan. The Board of Trustees Strategic Planning Committee used this feedback to inform the draft 2016-2020 Multi-Year Plan. Feedback from recent accommodation reviews, information collected by consultants in a recent environmental scan and the Director of Education search was also incorporated.

Please take a few minutes to share your thoughts.
