

MARCH 2017

ARC RECOMMENDATIONS

Turn the following Elementary Schools into K-4

- Woodland
- Sunset
- Ferris Glen
- Vincent Massey
- Alliance
- Silver Birches

Widdifield to cover grades 5,6 and 7 including French Immersion

Chippewa and West Ferris cover grades 8 to 12

- Go with three semesters to cover all programs

Close E.W. Norman, W.J. Fricker and E.T. Carmichael. Take the cost saving to repair the high schools or if the government will give you funding to build a new build, take it. But do the renovations needed. You could close the portables at Alliance which would be a big cost savings.

This was a proposal provided from a staff member at W.J. Fricker
