- Commitment to strong electives: Tech, manufacturing, woodshops, Esthetics, Foods, Culinary, Hospitality, Fashion Design, Housing Design, outdoor education
- SHSM programming
- Arts- Dance, Drama, Music room, Media Arts, Visual Arts, Drama, Fashion Design
- Dual Credit Programming
- Robotics/Avionics (Growing trend)
- Outdoor Education
- Aromatherapy/Health
- Physical Education
- Pathways for At Risk Learning
- Essential level programming with a focus on real life skills
- Co-op - year round
- Intramurals
- On-line learning
- Resource/Students Success
- Self contained Spec Ed classrooms and integration opportunities for all
- Restructure Alt School programming. Can we improve on some barriers with a new facility and programming?
- Middle Year program (MYP) - IB- Feeds to IB
- First Language/Culture Program (FNMI)
- ECE program pathway (Daycare in school)
- Repertoire Arts Based Programming

- Summer school opportunities (TOROS, Co-op, Day camps..)

Timetabling

- All-year programming (Math/Language)
- Alliance to start at 8:25am (allows working parents to drop off students and get to employment)
- New 7-12 school start time 9:10am (better for the teenage learner).
- This will hopefully alleviate traffic congestion.

Extra Curricular

- Committee Meeting with NDA to determine sports teams offered (Engage a discussion with OFSSA). OFFSA, NOSSA must be noticing similar trends in other cities/towns across Ontario. How can we continue to meet the needs of students under a different structure?
- Debate Club
- Arts Programming will be enhanced in key areas – Dance, drama, music, visual, technical theatre. United approach. Will be able to accomplish more and provide more opportunities.
- Partnership with YMCA, Memorial Gardens
