Subject: ARC Meeting - Request for Additional Public Meeting
Date: March-10-17 1:09:57 PM

Hi Carrie,

I attended the first Public Meeting regarding the ARC Process on February 15 2017. In light of such a contentious issue for the ARC, I would like to formally request another public meeting after the March 22, 2017 working meeting so the ARC can address and/or speak to some the key points brought up at that first meeting. I am suggesting the meeting be held in April, prior to the May 8 2017 public meeting. This ARC process is garnering attention, and transparency would go a long way. Kindly forward my request to the ARC committee.

Thank you in advance,
Christine Brown
