# Implementing the IPP

The following steps will show you how easy and stress-free it is for you to implement the Individual Pathways Plan (IPP) at your school board through Career Cruising. We'll also show you how each of the stakeholders – students, parents, and educators – are involved.

- **Students**

The screenshot below is from our redesigned user interface that allows students to see a complete breakdown of their progress towards completing their IPP.

- **Educators**

Implementing the IPP through Career Cruising will allow you to gain access to more than 70 different reports and tracking tools that enable you to monitor the progress of any given student at any point in time.

- **Parents**

All parents have access to the Parent Portal where they can be involved in their child's career development decisions and monitor their progress every step of the way!
