At such a meeting, at the appointed time, the Director of Education shall call the meeting to order, and utilize the following procedure:

1. The Director of Education shall proceed to read the returns of election to the Board, as certified by the clerks.
2. The Director of Education shall certify that the members have met all procedural requirements and are eligible to take office.
3. The Director of Education may request a District Judge to attend to take the Declarations and the Oaths of Allegiance. In the event that a District Judge is unable to attend, the Director of Education shall take the Declarations and Oaths of Allegiance.
4. With the Director of Education presiding, the Board shall proceed to elect a Chair for the ensuing year.
 - a) The Director of Education shall name the scrutineers for the election of the Chair and Vice-Chair and shall then call for nominations for the Office of Chair.
 - b) Any Board member may nominate any other board member for the position of Chair. The nominator may speak on behalf of the nominee and the time limit shall not exceed three minutes. Nominations shall remain open for a period of at least one minute following the receipt of the last nomination. The Director of Education shall then declare nominations closed.

5. A vote by ballot shall be conducted. The member receiving a clear majority of votes cast by all members present shall be elected but the count shall not be declared. The same process will be followed when the first candidate does not have a clear majority and the candidates with the least votes are tied. The name drawn from the ballot box by a scrutineer shall remain for the next ballot.
8. With the Chair presiding, the Board shall then proceed to elect a Vice-Chair and the procedure shall be as for the election of the Chair, as per item 4. (b) and (c).

7. Questions will be addressed in order of submission; each questioner will be allowed one question with additional questions if time allows.
8. The Question period will last a maximum of ten (10) minutes. The Chair will ensure adherence to the principles of this By-Law.
9. Questions concerning the character or performance of named individuals (students, staff, citizens or trustees) shall be ruled out of order by the Chair.
10. Employees of the Board, or representatives of employee groups shall not utilize the Public Question Period to express their views relative to their employment or professional interests.

By-Law XIV

VOTING METHODS

1. It is a privilege of the presiding officer to select the method by which a vote will be taken. The choice will be based on the following considerations:
 - Size of the group
 - Nature of the motion to be voted on
 - Anticipated closeness of the vote.
2. Although the choice of voting methods ultimately rests with the Chair any member has the right at anytime to suggest an alternate method by putting forth a *motion on voting in writing*.
3. **Consensus** also called *general consent* may be used as meeting shortcut and timesaver because it permits the members to take action without going through the process of a regular vote.
4. The request for recorded votes in Private Session shall not be allowed and shall be deferred until any issue is voted upon in Public Session.

By-Law XV

MOTIONS AT BOARD MEETINGS

1. Prior to introducing a formal motion on any issue, the trustees may need to engage in informal dialogue to ensure they have all the relevant information necessary for quality decision making. Since this knowledge-based decision-making process does not limit the number of times a trustee may speak, sufficient latitude is allowed for an in-depth discussion on any issue. Once the Chairperson is satisfied that the Board has sufficient information to make a quality decision the Chairperson may then introduce a formal motion to move the Board forward from dialogue to deliberation. Once the motion has been introduced all rules regarding motions shall apply.
2. A member may introduce a motion and, if seconded, be the first speaker to the motion. The seconder of the motion may speak next. No motion shall be debated or put to a vote unless it is in writing and has been seconded. (Also refer to “Regular Meetings of the Board” – Notices of Motion as outlined on page 6.
3. Any member may request the motion under discussion to be read at any time in the course of the debate, provided that no such request shall be made so as to interrupt a member speaking to the question.
4. The mover and seconder of a motion, by permission of the Chair, may alter or withdraw the motion, prior to the motion having been stated by the Chair. Once stated by the Chair, the motion cannot be withdrawn without the unanimous consent of the Board.
5. No member shall speak longer than three minutes at any one time.
6. When the question under consideration contains two or more distinct propositions, any particular proposition, upon the request of any member, may be considered and voted upon separately.
7. Any member desiring to speak shall indicate by up-raised hand and await recognition by the Chair. Speakers may speak when recognized by the Chair, and may not speak to the issue again until all other Trustees who wish to speak have been recognized by the Chair.
8. It is the responsibility of the Vice-Chair to maintain a speaker’s list.
9. After recognition by the Chair, a member shall at all times during decision-making:
 - a) maintain a courteous tone;
 - b) avoid personalities;
 - c) avoid allusion to motives of other members;
 - d) address all remarks, questions and the like to the Chair; and
 - e) confine all remarks, questions and the like to the motion which is the subject of discussion.

10. When the Board of Trustees is engaged in decision-making, no Trustee who has not been recognized by the Chair shall interrupt a Trustee who has been recognized by the Chair. If two or more members attempt to speak at the same time, the Chair shall name the member who is to speak.
11. No member shall be interrupted while speaking except to be called to order by a member on a matter of privilege or a point of order. In such case, the member shall remain silent until the point of order has been decided by the Chair. A member so interrupting shall speak to the point of order or in explanation only.
12. If the Board moves into consideration of a motion, the following protocol shall apply:
 - a) on a point of order;
 - b) on a question of privilege;
 - c) to request permission to withdraw a motion;
 - d) to appeal a ruling of the Chair;
 - e) on a motion to extend the time limit; and
 - f) in the event that a Trustee interrupts a speaker pursuant to the authority given in this section, the Trustee shall confine all remarks to the particular point.
13. The rules of the Board shall be observed at all meetings of the Board, while recognizing that the meetings of committees are less formal and appropriate modifications may be made.

By-Law XVI

VOTING

1. Every Trustee present, including the Chair, but excluding those trustees who have declared a pecuniary interest as required by the Municipal Conflict of Interest Act, shall vote on all questions on which the member is entitled to vote.
 - a) The members shall indicate their vote by clearly up-raised hands;
 - b) All votes at meetings shall be taken by a show of hands, and the result shall be declared by the Chair, but if the declaration be questioned, the Chair shall call for a recorded vote.
 - c) Where a pecuniary interest is declared, the Trustee shall act in accordance with the Municipal Conflict of Interest Act. (See Appendix C)
2. No member of the Board shall have more than one vote either at board meetings, or on any committee. In all cases where a vote is taken on any question and there is with the Chair's vote, a tie, the motion or amendment shall be declared lost. Any abstention without permission of a majority vote of the Board will be considered a negative vote.
3. After the Chair has put a question to vote, there shall be no further debate and no member shall walk across or out of the room. The decision of the Chair as to whether the question has been finally put shall be conclusive.

4. The vote shall not be recorded on any question unless requested by at least one member. Such a request must be made before the Chair calls upon the members to vote upon the same question.

By-Law XVII

RULES FOR MEETINGS OF THE BOARD

A. Miscellaneous Rules for Meetings of the Board:

1. In all cases, not provided for by these rules, the rules and practice of Robert's "Rules of Order" shall govern. A summary of "Rules of Order" is included in Appendix D.
2. All meetings, except those subject to Section 207(2) of the Education Act, shall be open to the public.
3. a) When a motion is under debate, the only motion in order shall be:
 - i. to adjourn;
 - ii. to lay on the table;
 - iii. to postpone;
 - iv. to put the previous question (close debate);
 - v. to refer;
 - vi. to amend.b) The above motions shall have precedence in the order above named.
c) The first, second, third and fourth shall be decided without debate.
4. Any motion or resolution decided in the negative may not be reintroduced at a subsequent meeting during the current term of the Board or within a period of 4(four) months, whichever is less, unless approved unanimously by all members of the Board present and entitled to vote.
5. At any time during a meeting, the Chair of the meeting may declare a recess.

B. Motion to Adjourn:

1. To adjourn means to close the meeting. The adoption of any motion to adjourn closes the meeting immediately unless the motion specifies a later time for adjourning.
2. A motion to adjourn shall be in order, except when a member is speaking, or a vote is being taken, or when the previous question has been called. A motion to adjourn only, shall not be open to amendment or debate but a motion to adjourn to a certain time may be amended and debated.
3. No second motion to adjourn shall be made until some business shall have been transacted after the first motion shall have failed.

4. The Board meeting shall remain in session no later than 9:30 p.m., unless a majority of members eligible to vote, agree to extend the meeting.

C. Motion to Lay on the Table:

1. A motion to Lay on the Table enables the Board to lay the pending question aside temporarily when something else of immediate urgency has arisen, in such a way that (a) there is no set time for taking up the matter again; and, (b) its consideration can be resumed at the will of a majority of those present and entitled to vote.
2. A motion to Lay on the Table is not debatable, but a motion to Lay on the Table with any other condition is subject to debate and amendment.

D. Motion to Postpone Indefinitely:

1. To Postpone Indefinitely is a motion that the Board declines to take a position on a main question.
Its adoption kills the main motion and avoids a direct vote on the question.
2. When a question has been postponed, it shall not be taken up again at the same meeting, except by a vote in favour thereof by two-thirds of the members present and entitled to vote.

E. Motion to Postpone to a Certain Time (or definitely):

1. To Postpone to a Certain Time is a motion by which action on a pending question can be cut off, within limits, to a definite day, meeting, hour, or until after a certain event.

F. Motion to Put the Question:

1. This motion is used to bring the Board to an immediate vote on one or more pending questions. The motion is allowed in committees.
2. A motion to end debate and vote on the previous question shall preclude all further amendments or debate. If adopted, the Chair shall at once proceed to put the main question, first putting any amendments pending to the vote of the Board.

G. Motion to Amend:

1. The Motion to Amend is a motion to modify the wording - and within certain limits the meaning of a pending motion before the pending motion itself is acted upon.
2. After a resolution is made and seconded, a motion to amend may be made, and a motion to amend the amendment; but no further motion to amend shall be made until those have been decided.
3. An amendment modifying the subject of a motion shall be in order, but an amendment relating to a different subject shall not be in order.
4. All amendments shall be put in the reverse order in which they have been moved.

5. Every amendment submitted shall be in writing and be decided upon or withdrawn before the main question shall be put to a vote; and if the vote on an amendment is decided in the affirmative the main question as amended shall be put to a vote.

H. Motion to Reconsider:

1. After a vote has been taken on any question, only a member who has voted on the prevailing side may make a motion to Reconsider.
2. The motion to Reconsider can be made only during the same meeting at which the vote to be reconsidered was taken.
3. The motion to Reconsider is debatable in all cases in which the motion proposed to be reconsidered is debatable, and when debatable, opens to debate the merits of the question whose reconsideration is proposed.
4. If a *motion to Reconsider* is voted on and lost, no further motion to Reconsider *shall be entertained during the next twelve months*, unless approved unanimously by all members of the Board entitled to vote.

I. Motion to Rescind; Amend Something Previously Adopted:

1. The effect of the motion to Rescind is to strike out an entire main motion, resolution, policy, regulation or bylaw that has been adopted at some previous time. Amend Something Previously Adopted is the motion that can be used if it is desired to change only a part of the text, or to substitute a different version.
2. The motions to Rescind or to Amend Something Previously Adopted are not in order when the subject can be reached by "Reconsideration".
3. Adoption of a motion to Rescind or to Amend Something Previously Adopted requires a two-thirds vote of the members present and entitled to vote.
4. The motions are debatable; debate can deal with the merits of the question which it is proposed to rescind or amend.

J. Motion for Immediate Consideration:

1. The Board may, if two-thirds of the members eligible to vote, vote in favour thereof, enter upon the immediate consideration and disposition of any eligible motion, except for Board policies and by-laws.
2. No discussion of the main question shall be allowed until the motion for Immediate Consideration has been decided in the affirmative.
