

APPENDIX H

**SAMPLE LETTER TO PHYSICIAN
FOR REVIEW OF DRAFT EMERGENCY PROTOCOL**

Dear Physician:

Re: Draft Emergency Protocol for *[Insert Name of Student]*

As you may recall, we have been developing an Emergency Protocol in the event your patient requires emergency assistance while attending school.

We would appreciate if you could review our draft Emergency Protocol, which is attached, and advise as to any changes which might be required to meet your patient's needs.

Thank you for your assistance.
