Celebrating Students Who Make a Difference
2019

Emma Dupuis

F.J. McElligott Secondary School

Emma Dupuis is a grade 10 student at F.J. McElligott who has always had a passion for volunteering and helping others. Her community volunteering started at age 7 when she became involved in both “Green Side Up” and the local foodbank. Her grade 5 teacher started her writing articles about school events. Since then, she has published countless articles in the local Mattawa Recorder promoting the great things accomplished by the Mattawa schools she attends. The summer before Emma started grade 8 she took part in a service trip to the Dominican Republic where she had the opportunity to help build a school and interact with the local community.

Emma is very involved in her school community and volunteers at the breakfast program, at graduation and during Voyageur Days. She is also an active member of FJ’s Dream Team, participates in school drama productions as well as playing on the following NDA sports teams: basketball, volleyball, curling, badminton and track & field. Emma is always willing to put in the extra effort both on the court and in the classroom where she is considered a role model.

We would like to congratulate Emma and look forward to seeing what she will continue to accomplish.

Congratulations, Emma!
