

International Day for the Elimination of Racial Discrimination

Celebrating Students Who Make a Difference
2019

Olivia McVeety

M.T. Davidson Public School

M.T. Davidson is proud to highlight Olivia McVeety as our “Student Who Makes a Difference”. Olivia consistently offers help to teachers without prompting. In the classroom she listens and follows instructions, she respects herself and others and takes great responsibility for her actions. In addition, Olivia takes initiative to help students with their academics work and well-being. She has the unique ability to support her peers in a manner that is respectful and cautious of their dignity. Calmly, she aids students who are upset by assisting them to feel better about themselves and resolving their conflicts. Olivia represents the positive role that M.T. Davidson expects all students will achieve. A quiet and impactful leader, Olivia cooperates well in groups and leverages the strengths in others to ensure the group completes their assigned task. Olivia is a leader in the Make A Difference Club and enthusiastically builds a positive school community in this regard. She is also a member of the M.T. Davidson Choir.

Olivia has a 7th degree White Belt in Jiu-Jitsu and participates in swimming lessons and soccer. As an avid outdoor enthusiast, Olivia ice-fishes before and after school as this is her passion. Olivia is helping to remove the Monarch Butterfly from the endangered species list. Every spring / summer, Olivia raises eggs to butterflies. Last year, Olivia raised and released 574 butterflies. Furthermore, she raises money and participates in charities like: The Coldest Night of the Year, Run for the Cure, Jump Rope for Heart and Juvenile Diabetes.

Congratulations, Olivia!
