

The Near North District School Board is pleased to offer
a **FREE, 3-week, engaging Power Learning**
Camp - July 2nd to July 19th, 2019

NEAR NORTH POWER LEARNING CAMP

Dear Families,

The Near North District School Board is pleased to offer a **FREE, 3-week, engaging POWER LEARNING CAMP** - July 2nd to July 19th 2019, **hosted in all three regions of our district**. This camp is being offered to current grades 1-3 students who may benefit from joyful, focused literacy and mathematics instruction.

This Power Learning Camp will focus on the development of reading, writing and math skills, in small group settings, through engaging experiences of the children's interests. A team of camp instructors lead by an experienced Ontario Certified Teacher will teach each program. A minimum of 15 students is required to run the program.

The involvement of parents is critical to the success of the program. Ongoing communication will inform you about learning experiences and offer extensions of literacy and numeracy learning for you to enjoy with your child at home. **Families are responsible for transportation to and from the program site, and will be required to commit to regular attendance in order to ensure learning success.**

More information about the benefits of this Ministry of Education sponsored program will be shared at the start of the camp. If you have additional questions, please contact Krista Holmes at krista.holmes@nearnorthschools.ca or 705-472-8170 Ext. 7003.

Your child is being invited to register for this unique camp opportunity. If you would like them to participate, **please return the attached registration form to your child's school - (Main Office)**. *Please note that registration will be confirmed (email or phone call) by a NNDSB Power Learning Camp staff member; wait list spaces may also be available.*

We are delighted to be able to offer this high quality, engaging summer literacy learning camp and hope that your child is available to participate!

We hope to see you soon!
