

Summer School Inclusive Leadership

Theories and practical aspects of becoming an effective leader and program planner provide a dual focus for this course. Students will lead activities for a wide variety of populations and will organize programs using the Systematic Planning Process model.

Dual Credits: one senior level high school credit and one college course

Leadership and Program Planning – GPA4T (College Course: REC105)

This course provides students with the knowledge and content related to understand multi-dimensional aspects of being a successful leader. The students will experience various planning techniques and leadership styles through participation in workshops and applied sessions.

Schedule:

- July 06 - July 31. Synchronous delivery model through Contact North.

Note:

- This course will be delivered Online. All students are expected to have access to reliable Internet and a digital device.
- Tuition and materials fees are covered through the Dual Credit program.
