Dear Parents and Guardians,

The purpose of this letter is to provide you with additional information with regards to the Ontario government's Jan. 20 announcement.

Several school boards will be welcoming students back to in-class learning on Jan. 25. There is no change for Near North District School Board (NNDSB) schools.

As per health unit jurisdictions, MacTier Public School will remain closed and students will continue learning virtually until Feb. 10. All other NNDSB schools continue to be open for in-person learning.

Please continue to monitor NNDSB's website nearnorthschools.ca for updates and follow our Facebook and Twitter accounts. We will continue to share accurate and timely information, Ministry correspondence, and resources with you as they become available. As always, if you have any questions, please reach out to your child's school.

Additional resource material, including learning, mental health, and supports, can also be found on our website.

Stay well.

Sincerely,

Craig Myles
Director of Education
