**Dear Parents and Guardians,**

This message is to inform you of the Government of Ontario's [decision about the scheduled March Break](#).

This afternoon, Minister of Education Stephen Lecce announced that the March Break, scheduled for March 15-19, 2021 has been deferred until the week of April 12-16, 2021.

The Ministry decision was made in consultation with public health experts in an effort to reduce travel and gatherings and help reduce the spread of COVID-19.

Thank you for your support.

Sincerely,  
Near North District School Board
