Dear Parents and Guardians,

Education Minister Stephen Lecce [announced today](#) more schools are set to resume in-class learning.

Beginning Feb. 8, MacTier Public School will resume in-class learning, which means all Near North District School Board (NNDSB) schools will now be open for in-class learning.

Please continue to monitor NNDSB's website nearnorthschools.ca for updates and follow our Facebook and Twitter accounts. We will continue to share accurate and timely information, Ministry correspondence, and resources with you as they become available. As always, if you have any questions, please reach out to your child's school.

Additional resource material, including learning, mental health, and supports, can also be found on our website.

Stay well.

Sincerely,

Craig Myles
Director of Education
