**Dear Parents and Guardians,**

Near North District School Board (NNDSB) has been informed that a member of the school community at Chippewa Secondary School has tested positive for COVID-19.

The North Bay Parry Sound District Health Unit has determined there is no risk to the school community, as the individual was not in the building during the infectious period.

The individual and their household are self-isolating. As there is no risk to the school community, no cohorts have been impacted and in-person learning at Chippewa Secondary School will continue tomorrow as scheduled.

NNDSB wishes the affected member a safe recovery.

Thank you,  
Near North District School Board
