Dear Parents and Guardians,

The North Bay and District Multi-Cultural Centre is marking the International Day for the Elimination of Racial Discrimination with its annual Students Who Make a Difference event on Wednesday, March 24, 2021.

This year's event is being held live, but virtually, so all classes and families in the NNDSB school community are able to watch the event.

This year, a student from each of E.T. Carmichael Public School, Alliance Public School, West Ferris Intermediate and Northern Secondary School is being recognized as Students Who Make a Difference, and a dance performance from Chippewa Secondary School will be featured.

The event is being held March 24, at 1 p.m. and can be accessed at this link: https://www.youtube.com/channel/UCiKDxXeFVI_YKOS8lrJ1_yw

If you're unable to watch live on March 24, the event is being recorded, and can be found at <https://www.nbndmc.ca>.

Thank you for your support.

Sincerely,
Near North District School Board
