Dear Parents and Guardians,

Before the Spring Break begins, Near North District School Board (NNDSB) would like to inform you of opportunities to access COVID-19 testing during the break.

Asymptomatic targeted testing assessment centres will be available to students and staff in the community.

- April 12-18, students, children, and staff will have access to asymptomatic testing at local assessment centres.
- Children attending child care located within schools, and child care staff, will also be eligible to access this testing.
- To book an appointment, visit the [COVID-19 Testing Locations website](#), and select “assessment centre” as your location type, with the booking details requested.

Thank you again for all your efforts to keep our schools safe. Together we can help to keep ourselves and our communities safe and healthy.

Take care and stay safe.

Thank you,
Near North District School Board
