**Dear Parents and Guardians,**

This afternoon the provincial government announced a four-week shutdown in the Province of Ontario as of 12:01 a.m. Saturday, April 3 in an effort to control the spread of COVID-19.

The announcement places more restrictions on aspects of business operation but does **not** affect education. Schools will re-open after the Easter long weekend for students who are learning in-person.

These are challenging times for all of us, and we appreciate your support and patience. [NND SB's website](#) has a [COVID-19 updates page](#) where you will find board and local health unit updates, as well as links to provincial information.

Updates are also posted on our social media accounts; you can follow us on [Twitter](#) and [Facebook](#).

Sincerely,  
Near North District School Board
