**Dear Parents and Guardians,**

This afternoon the Government of Ontario announced that in an effort to combat the rising number of COVID-19 cases, a state of emergency has been declared, and stay-at-home orders have been imposed across the province effective 12:01 a.m. tomorrow, Thursday, April 8, 2021.

The announcement does not include the closure of schools. At this time, staff and students who are working and attending school in-person will continue to do so.

NNDSB will continue to monitor this situation and will advise families of changes that affect education.

Thank you for your support.

Sincerely,  
Near North District School Board
