Dear Parents and Guardians,

Today the provincial government made two announcements that affect Near North District School Board (NNDSB) students and staff.

The government has extended the stay-at-home order, so remote learning will continue until at least June 2.

It was also announced that children between the ages of 12 and 17 will be eligible to receive the Pfizer vaccine beginning May 31.

You will find more information on both announcements in this [link to the Province of Ontario newsroom](#).

Thank you for your support.

Sincerely,
Near North District School Board
