A

MAN

CALLED

LOVE

FREDRIK BACKMAN

Ove is almost certainly the grumpiest man you will ever meet. He thinks that he is surrounded by idiots-joggers, neighbours who can't reverse a trailer properly and shop assistants who talk in code.

But isn't it rare, these days, to find such old-fashioned clarity of belief and deed? Such unswerving conviction about what the world should be, and a lifelong dedication to making it just so?

In the end, you will see, there is something about Ove that is quite irresistible...

"In turns moving and funny. . . I wager that you'll soon fall in love with Ove and be deeply moved by his situation, and after spending time with him, may perhaps gaze at the world around you with a little more empathy than when you turned the first page."

Eric Larson

"An inspiring affirmation of love for life and acceptance of people for their essence and individual quirks...a perfect selection for book clubs...bittersweet, tender, often wickedly humorous and almost certain to elicit tears."
