

Dear Community Partner Agencies/ Contracted Vendors,

Re: VACCINE DISCLOSURE REQUIREMENTS - NON-STAFF

Effective September 7, 2021, Dr. Kieran Moore, MD, Ontario Chief Medical Officer of Health issued a directive entitled *Instructions issued by the Office of the Chief Medical Officer of Health* which mandates all district school boards to achieve 100% vaccination policy compliance by September 27, 2021.

These requirements apply to:

- All Board employees.
- Occasional employees on a supply list.
- Contractors, and any other individuals employed or contracted to provide service in any capacity to the Board who regularly interact with or are in the presence of students and/or school board staff.
- School Board Trustees
- Students on an educational placement, including professional services students on a placement / work-integrated learning visit (e.g., teacher candidate, nurse, psychologist, behaviour therapist, speech-language pathologist, social worker candidates, etc.);
- Those who provide professional services to children at school.
- Student transportation drivers; and
- Regular volunteers and visitors.

REQUIREMENTS FOR ALL INDIVIDUALS

Mandatory Vaccination and Disclosure:

A. **Individuals who are fully vaccinated** are expected to submit a formal attestation that they are “fully vaccinated” against COVID-19 and provide proof of vaccination using the VACCINATION ATTESTATION FORM – NON-STAFF * (*as soon as available*)

B. Individuals who are partially vaccinated with the intention to become fully vaccinated are required to indicate their vaccination status on their attestations using the process outlined in part A **and**

- a. will be required undergo antigen testing twice weekly until they are fully vaccinated.

- C. Individuals with medical reasons for not being vaccinated, must attest to their immunization status as outlined in part A **and**
- a. Provide proof by either a physician or a nurse practitioner that a medical condition prevents vaccination **and**
 - b. the individual will then be required to undergo rapid antigen testing twice weekly
- D. Where an individual covered by the procedure has not met the requirements in section A, B or C above, they are required to:
- a. complete an educational program approved by the Ministry of Education, **and**
 - b. attest to completing this program using **and**
 - c. undergo rapid antigen testing twice weekly

All individuals who are not fully unvaccinated will require TWICE WEEKLY antigen testing and provide verification of the negative test result to the NNDSB.

Testing numbers will be provided to the ministry per the mandate, excluding all personal health or employee information.

NOTES

As soon as the following information is available, it will be provided:

- VACCINATION ATTESTATION FORM NON-STAFF
- Information regarding the Educational Program
- Format for providing proof of negative test results

In the interim, until the VACCINATION ATTESTATION FORM NON-STAFF* is available, all visitors must confirm they have completed the revised school and daycare self-screen found at [COVID 19 School and Childcare Screening Tool](#).

It may be easiest for people to print the copy of the tool once completed in order to provide evidence of completion to each school they may enter during the day. (Rather than having to complete attestation documentation at each site.)

Failure to comply with this policy will result in exclusion from any NNDSB facility.

For further information, please contact your usual contact at NNDSB.
