Getting Started

Press the power button to begin. Login using the following:

Username: remotelearning

Password: (There is no password. Press enter to complete logging into the MacBook)

Set Up Your Wi-Fi

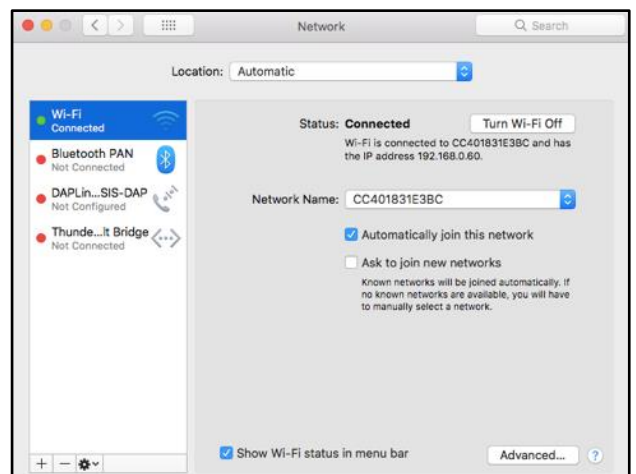

- Open System Preferences

- Select Network

- Locate your router name. Sign in using your router's password. You are now connected to Wi-Fi.

Passport to Learning

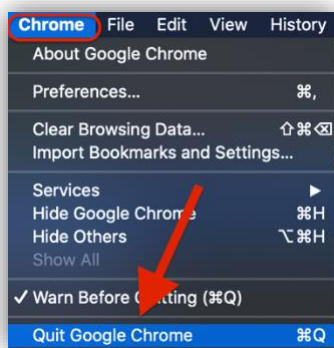

@NEARNORTHSCHOOLS.CA - LOGIN AND LEARN

Your @nearnorthschools.ca account is a passport to learning. When students or staff login to our board website using their NNDSB username and password, they have access to digital tools that enable productivity, communication, collaboration and creativity. Furthermore, they may access hundreds of educational resources, including online subscriptions, encyclopedias, research archives and more...

Signing Out:

Sign out of any open application tabs and then click the door in the top right corner of the NNDSB website. Next, click "Chrome" from the top menu (top left corner) and select Quit:

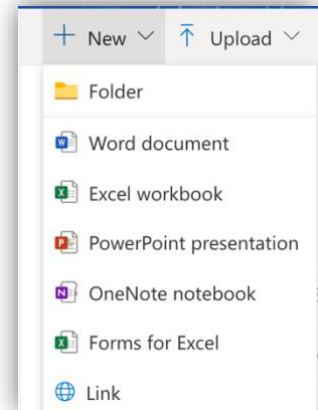

Accessing Microsoft Office Applications:

You can access Office applications (Word, Excel, OneNote, PowerPoint) online through Office 365 (Chrome browser is recommended) or by signing into the downloaded apps on the MacBook.

Online through Office 365:

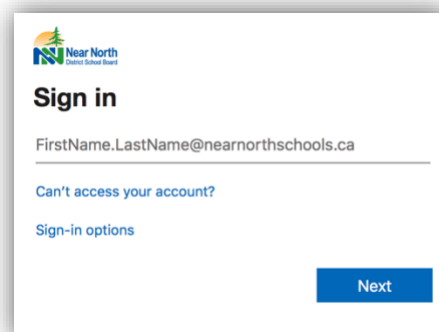

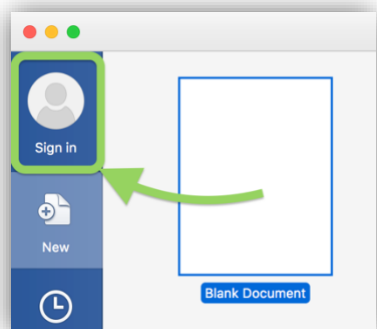

Follow the steps above for “opening the door” and from the Learning Resources tab found on www.nearnorthschools.ca.

- Click Office 365 Apps.
- From the list of apps, choose the One Drive icon (Cloud)
- From One Drive you can create a new folder to stay organized and then select New > Word / PowerPoint / Excel / One Note

Sign into the downloaded Office applications:

- Click the rocket icon in your dock (menu at the bottom of the screen) or click F4
- Search for your desired Microsoft application and click it
- Click the Sign-in button and enter your full first.last##@nearnorthschools.ca (Replace ## with your day of birth)

Save your work to your OneDrive

iPad

Getting Started

Press and hold the power button until an apple appears on the screen. The iPad will finish starting.

Set Up Your WI-FI

- Open Settings
- Select Wi-F
- Locate your router.
- Select your router and enter the password
- You now have Wi-Fi

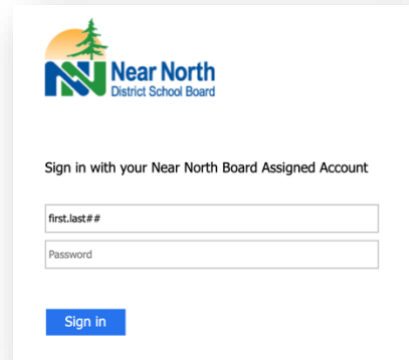

iPad Passport to Learning

The Clever app allows students to connect to their teacher and district Clever Pages. Once logged in, students have access to all of their resources they will need for learning from home.

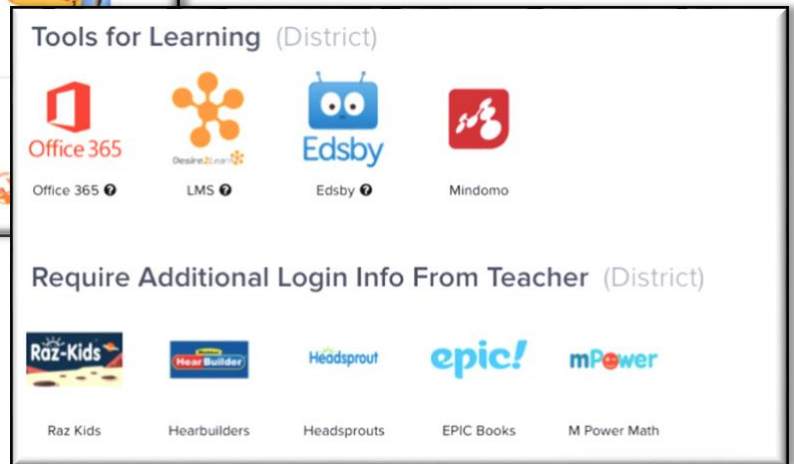

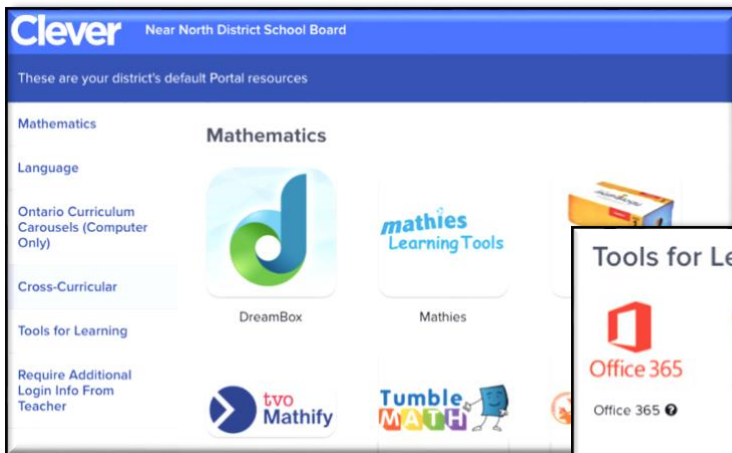

Logging In

- Locate and open the Clever app
- Enter your NNDSB Username and password
- Sign in

The login form features the NNDSB logo at the top. Below it, the text reads "Sign in with your Near North Board Assigned Account". There are two input fields: "first.last##" and "Password". A blue "Sign in" button is located at the bottom.

Access to all resources from one "Clever" location.

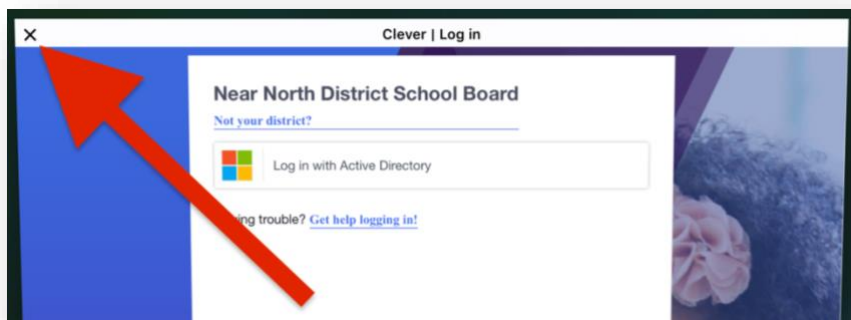

Signing Out:

- Sign out of any open tabs and then click the door icon on your iPad and log out:

- Click the tab icon (top right corner of Chrome):
- Click the x to close browser window(s):

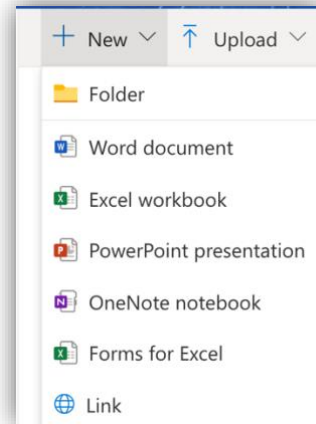

Accessing Microsoft Office Applications:

You can access Office applications (Word, Excel, OneNote, PowerPoint) online using the Office 365 link in Clever or by signing into the downloaded apps on the iPad.

Online through Clever:

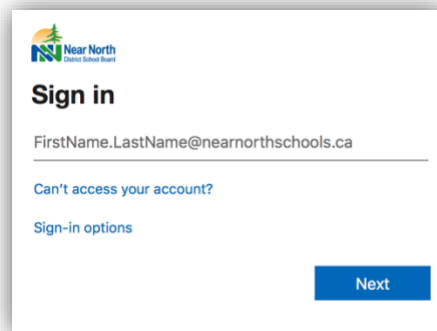

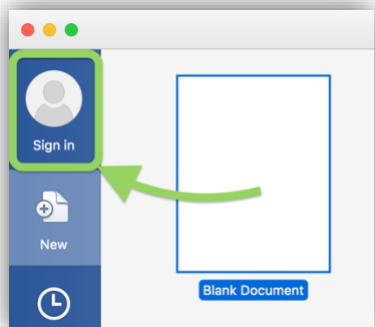

Sign into Clever (see above) and select Office 365 from the Tools for Learning section:

- From the list of apps, choose the One Drive icon (Cloud)
- From One Drive you can create a new folder to stay organized and then select New > Word / PowerPoint / Excel / One Note

Sign into the downloaded Office applications:

- Open the Microsoft app on your iPad
- Click the Sign-in button and enter your full first.last##@nearnorthschools.ca (Replace ## with your day of birth)

Save your work to your OneDrive:

Click the arrow in the top left corner and select your OneDrive – NNDSB:
