By-Laws, Policies, Administrative Guidelines

“Local, democratically elected school boards play a key role in ensuring that schools remain responsive to both provincial requirements and local needs and resources.

*Ultimately, governance is the exercise of authority, direction, and accountability to serve the higher moral purpose of public education. A governance structure defines the roles, relationships, and behavioural parameters for the board and its staff.” **(OPSBA Good Governance Guide 2018-22)***

Principles of Effective Board Governance:

The board of trustees has a clearly stated mission that includes high expectations for student achievement.

The board of trustees allocates its resources in support of the goals it has set.

The board of trustees holds its system accountable for student achievement through its director of education by regularly monitoring evidence of student achievement.

The board of trustees engages with its constituents in the creation of policies that affect them and communicates its progress in raising student achievement.

The board of trustees monitors its own performance and takes action to continually improve its governance processes. **(OPSBA Good Governance Guide 2018-22)**

Through By-Law the Board provides direction and guidance to the trustees (and the public) with respect to their behaviour as publicly elected officials.

Through Policy the Board provides direction/guidance to staff (and the public) through the Director of Education.

Through Administrative Guideline the Director of Education provides direction/guidance to staff balancing flexibility to deal with diverse situations and consistency across all schools and departments to ensure system reliability.

1. Every Trustee present, including the Chair, but excluding those trustees who have declared a pecuniary interest as required by the *Municipal Conflict of Interest Act*, shall vote on all questions on which the member is entitled to vote.
 - a) The members shall indicate their vote by clearly up-raised hands.
 - b) All votes at meetings shall be taken by a show of hands, and the result shall be declared by the Chair, but if the declaration be questioned, the Chair shall call for a recorded vote.
 - c) Where a pecuniary interest is declared, the Trustee shall act in accordance with the *Municipal Conflict of Interest Act*. (See Appendix C)
2. No member of the Board shall have more than one vote either at board meetings, or on any committee. In all cases where a vote is taken on any question and there is with the Chair's vote, a tie, the motion or amendment shall be declared lost. Any abstention without permission of a majority vote of the Board will be considered a negative vote.
3. After the Chair has put a question to vote, there shall be no further debate and no member shall walk across or out of the room. The decision of the Chair as to whether the question has been finally put shall be conclusive.
4. The vote shall not be recorded on any question unless requested by at least one member. Such a request must be made before the Chair calls upon the members to vote upon the same question.
5. It is a privilege of the presiding officer to select the method by which a vote will be taken. The choice will be based on the following considerations:
 - size of the group;
 - nature of the motion to be voted on; and
 - anticipated closeness of the vote.
6. Although the choice of voting methods ultimately rests with the Chair any member has the right at any time to suggest an alternate method by putting forth a motion on voting in writing.
7. Consensus also called general consent may be used as meeting shortcut and timesaver because it permits the members to take action without going through the process of a regular vote.

RULES FOR MEETINGS OF THE BOARD

A. Miscellaneous Rules for Meetings of the Board

1. In all cases, not provided for by these rules, the rules and practice of Robert's "Rules of Order" shall govern. A summary of "Rules of Order" is included in Appendix D.
2. All meetings, except those subject to section 207(2) of the *Education Act*, shall be open to the public.
3. When a motion is under debate, the only motion in order shall be:
 - i. to adjourn;
 - ii. to lay on the table;
 - iii. to postpone;
 - iv. to put the previous question (close debate);
 - v. to refer;
 - vi. to amend.

The above motions shall have precedence in the order above named. The first, second, third and fourth shall be decided without debate.

4. Any motion or resolution decided in the negative may not be reintroduced at a subsequent meeting during the current term of the Board or within a period of 4 (four) months, whichever is less, unless approved unanimously by all members of the Board present and entitled to vote.
5. At any time during a meeting, the Chair of the meeting may declare a recess.

B. Motion to Adjourn

1. To adjourn means to close the meeting. The adoption of any motion to adjourn closes the meeting immediately unless the motion specifies a later time for adjourning.
2. A motion to adjourn shall be in order, except when a member is speaking, or a vote is being taken, or when the previous question has been called. A motion to adjourn only, shall not be open to amendment or debate but a motion to adjourn to a certain time may be amended and debated.
3. No second motion to adjourn shall be made until some business shall have been transacted after the first motion shall have failed.

Governance Manual

4. The Board meeting shall remain in session no later than 8:00 pm, unless a majority of members eligible to vote, agree to extend the meeting.

C. Motion to Lay on the Table

1. A motion to Lay on the Table enables the Board to lay the pending question aside temporarily when something else of immediate urgency has arisen, in such a way that (a) there is no set time for taking up the matter again; and, (b) its consideration can be resumed at the will of a majority of those present and entitled to vote.
2. A motion to Lay on the Table is not debatable, but a motion to Lay on the Table with any other condition is subject to debate and amendment.

D. Motion to Postpone Indefinitely

1. To Postpone Indefinitely is a motion that the Board declines to take a position on a main question. Its adoption kills the main motion and avoids a direct vote on the question.
2. When a question has been postponed, it shall not be taken up again at the same meeting, except by a vote in favour thereof by two-thirds of the members present and entitled to vote.

E. Motion to Postpone to a Certain Time (or definitely)

1. To Postpone to a Certain Time is a motion by which action on a pending question can be cut off, within limits, to a definite day, meeting, hour, or until after a certain event.

F. Motion to Put the Question:

1. This motion is used to bring the Board to an immediate vote on one or more pending questions. The motion is allowed in committees.
2. A motion to end debate and vote on the previous question shall preclude all further amendments or debate. If adopted, the Chair shall at once proceed to put the main question, first putting any amendments pending to the vote of the Board.

G. Motion to Amend

1. The Motion to Amend is a motion to modify the wording - and within certain limits the meaning of a pending motion before the pending motion itself is acted upon.

Governance Manual

2. After a resolution is made and seconded, a motion to amend may be made, and a motion to amend the amendment; but no further motion to amend shall be made until those have been decided.
3. An amendment modifying the subject of a motion shall be in order, but an amendment relating to a different subject shall not be in order.
4. All amendments shall be put in the reverse order in which they have been moved.
5. Every amendment submitted shall be in writing and be decided upon or withdrawn before the main question shall be put to a vote; and if the vote on an amendment is decided in the affirmative the main question as amended shall be put to a vote.

H. Motion to Reconsider

1. After a vote has been taken on any question, only a member who has voted on the prevailing side may make a motion to Reconsider.
2. The motion to Reconsider can be made only during the same meeting at which the vote to be reconsidered was taken.
3. The motion to Reconsider is debatable in all cases in which the motion proposed to be reconsidered is debatable, and when debatable, opens to debate the merits of the question whose reconsideration is proposed.
4. If a motion to Reconsider is voted on and lost, no further motion to Reconsider shall be entertained during the next twelve months, unless approved unanimously by all members of the Board entitled to vote.

I. Motion to Rescind; Amend Something Previously Adopted

1. The effect of the motion to Rescind is to strike out an entire main motion, resolution, policy, regulation or bylaw that has been adopted at some previous time. Amend Something Previously Adopted is the motion that can be used if it is desired to change only a part of the text, or to substitute a different version.
2. The motions to Rescind or to Amend Something Previously Adopted are not in order when the subject can be reached by "Reconsideration".
3. Adoption of a motion to Rescind or to Amend Something Previously Adopted requires a two-thirds vote of the members present and entitled to vote.
4. The motions are debatable; debate can deal with the merits of the question which it is proposed to rescind or amend.

Governance Manual

3. The electronic/virtual means shall be provided in such a way that the rules governing conflict of interest of members are complied with.
4. It is understood that face-to-face participation is preferred and expected.
5. Teleconferencing:
 - 5.1 At the request of a Trustee, or Student Trustee, and with reasonable notice, the Board shall provide the member or representative with teleconference means to participate in meetings of the Board including Committee of the Whole or other committee meetings. Every reasonable effort will be made by Board staff to accommodate Board members' requests.

 - 9.1 Board members are expected to attend the Board meeting at the monthly designated site as determined by the meeting schedule; however, in extenuating circumstances, Board members may participate in the meeting, preferably via video or by teleconference if video conferencing is not available, at one of the remote sites identified.
 - 9.2 Each Committee of the Whole Board meeting, will be conducted using video conferencing. In all cases, whether with telephone or video conferencing participation, the Chair of the Board or designate, the Director of Education or designate and one other trustee shall be physically present at the designated meeting site.

Note: Ontario Regulation 463/97

Section 5 and subsection 5.1(2), which require that certain members of a board (e.g., Board Chair, Director of Education) be physically present at meetings, will not apply when schools are closed as a result of an order made under the *Education Act*, the *Health Protection and Promotion Act* (HPPA) or the *Emergency Management and Civil Protection Act* (EMCPA). In these circumstances, a board will be able to meet exclusively by electronic/virtual means.

Section 6, which requires that board meetings be conducted to permit physical attendance by members of the public except where the Act permits the meeting to be closed (e.g., to discuss matters of litigation), would not apply during school closures by an order issued under a specified provincial law. However, in these circumstances, boards must, as required by the *Education Act* (see Section 207), continue to make board meetings open to the public. Boards must therefore determine alternative methods for allowing public access to board meetings (for example, through teleconference, webcast, or videoconferencing).

DIRECTOR OF EDUCATION PERFORMANCE REVIEW

1. Rationale

The Director of Education Performance Appraisal (“DPA”) process is designed to help the Near North District School Board achieve its strategic and annual goals. This process is also designed to help foster and build a strong working relationship between the Director and the Board. The organization’s goals are essentially the goals of the Director. Therefore, performance management for the Director is key in ensuring overall Board success.

2. Policy Statement

It is the policy of the Board to conduct annual Director of Education Performance Appraisals in collaboration with the Director.

3. The Director’s Performance Appraisal (DPA) Committee:

The DPA Committee should consist of the Chair and either 2 or 3 additional trustees appointed by the Board. The DPA Committee shall make regular reports to the Board throughout the year as the DPA process is implemented. All trustees would be welcome to audit DPA meetings with an expectation that they notify the Chair of their intent to attend and that they commit to full attendance to ensure consistency of process and integrity of understanding.

Key expectations of the DPA Committee are:

- ✓ Act as a liaison between the Board and the Director
- ✓ Help achieve Board Goals and Priorities
- ✓ Align to Board Multi-Year Strategic Plan
- ✓ Help build strong, mutually respectful relationship between the Director and the Board of Trustees
- ✓ Provide clarity to Director regarding Board Goals and Priorities.
- ✓ Provide clarity with respect to “any other duties assigned by the Board”
- ✓ Support the Director’s ongoing development
- ✓ Ensure that there are no misunderstandings or surprises during the Director’s performance appraisal process

4. The DPA Process:

The DPA process begins with the Strategic Plan presented by the Director to the Board of Trustees each September. The next step is for the Director to develop a Director’s Performance Appraisal Plan that is aligned with and supports the goals of the Board.

Governance Manual

The DPA process continues throughout the year and includes both formal meetings, presentations to Board of Trustees, informal conversations and informal feedback.

The DPA Committee/Board Chair should provide regular and constructive performance feedback to help keep the Director's performance and plan on track and help the Director respond to emerging issues. This process also ensures that there are "no surprises" at the Year-End Review. The DPA Committee/Board Chair should "check-in" with the Director regularly to initiate these informal discussions.

4.1	Present Strategic Plan for school year to Board	✓		September
4.2	Director's Performance Plan to DPA Committee		✓	October

4.1 Present Strategic Plan to Board:

In September, the DPA process begins with the communication of the Strategic Plan, which is developed by the Director, with input from the Senior Team and references the operational plan for the upcoming school year. The Strategic Plan provides the basis and context for the Director's Performance Plan.

Governance Manual

4.2 Director's Performance Plan to DPA Committee:

In October, the Director will draft a Performance Plan and review it with the DPA Committee. This meeting is the first of three formal meetings for the year and will set and clarify expectations at the beginning of the school/fiscal year. (See Appendix 1- Director's Performance Plan Form)

4.3 DPA Committee Report to Board:

In October, the DPA Committee will report back to the Board. The DPA Committee will share the contents of the Director's Performance Plan and outline key performance indicators to be used in the appraisal. The DPA Committee will solicit input from the Board regarding process and indicators to help inform the performance appraisal

4.4 Mid-Year Strategic Plan Progress Review to Board:

In February/March the Director shall provide an overview of the mid-year progress of the Strategic Plan implementation. The mid-year progress will be used as the basis for the Mid-Year DPA Progress Review.

4.5 The Mid-Year DPA Progress Review to DPA Committee:

In April, The Mid-Year DPA Progress Review will take place. This review allows the Director and the DPA Committee to discuss the Director's progress at the mid-point of the year. This review will cover all areas of the Directors Performance Plan, including achievements, challenges and any concerns. The Director will receive formal feedback from the DPA Committee including a performance rating based upon Implementation Targets where available. The DPA Committee will provide an update to the Board upon the completion of the Mid-Year DPA Progress Review.

4.6 DPA Committee Report to Board:

In April, the DPA Committee will report back to the Board. The DPA Committee will share the contents of the Mid-Year DPA Review. The DPA Committee will solicit input from the Board regarding process and indicators to help inform the final appraisal period.

4.7 Trustee/Board Input:

In September, a survey will be issued by the Research Department to all trustees. Trustees will be asked to offer their comments regarding Director performance on the goals defined in the Performance Plan using a format that allows for open, honest and constructive feedback. The DPA Committee may broaden this survey to include other stakeholder groups such as supervisory officers.

Governance Manual

Questions should allow Trustees to comment on the following:

1. Which areas would you indicate as strengths in the Director's performance over the past year?
2. Which areas would you like to see the Director spending additional effort on over the course of the new year?

Suggested Resource: [OLF Leadership Core Practices](#) (2013):

- *Setting Directions;*
- *Building Relationships and Developing People;*
- *Developing the Organization to Support Desired Practices;*
- *Improving the Instructional Program; and*
- *Securing Accountability.*

4.8 Year-End/New Year Strategic Plan Review to Board:

In September, the Director shall provide an overview of the Year-End progress of the Strategic Plan implementation. The Year-End Strategic Plan Review will be used as the basis for the Year-End DPA Progress Review.

4.9 Year-End/New Year DPA Review to DPA Committee:

In October, the Year-End Review will take place. This is the formal annual performance assessment. The DPA Committee will evaluate the Director's achievements over the year measured against the Implementation and Outcome Targets.

4.10 Year-End/New Year DPA Committee Report to Board:

In October, the DPA Committee will report back to the Board. The DPA Committee will share the contents of the Year End DPA Review. The DPA Committee will also provide an overview of the New Year DPA Plan.

5.0 The Director's Performance Plan Form:

A Director's Performance Plan Form has been developed for the Director. The Director will complete a new form each school year, updating it on a regular basis and sending it to the DPA Committee in advance of each DPA meeting.

Properly prepared, the Director's Performance Plan Form will ensure that:

- ✓ The Director and the DPA Committee have clear measures/objectives to assess the Director's performance;

Governance Manual

- ✓ The Director is building the knowledge, skills and experience needed to meet the needs of the Board as well as to achieve career objectives;
- ✓ The Director's efforts are aligned with and contribute to achieving the overall educational and business goals of the Board as outlined in the Board Multi-Year Strategic Plan ("MYSP").
