

SUMMER SCHOOL 2021-22

Summer School Learning Opportunities

The NNDSB is pleased to offer students across our district and beyond a number of opportunities for summer learning. Our registrations for high school credit courses will occur through the provincial PRISM system. *All summer offerings are subject to sufficient staffing and enrollment to run.*

- NNDSB students, please see your Guidance Counsellor in Student Services to register.
- Non-NNDSB students from boards using the NeLC SRS system, please see your Guidance Counsellor in Student Services to register.
- International Students, course fees are \$1200 per 110 hr. full credit course and \$600 for 55 hr. half credit course. Please contact our summer school secretary Terri Reidt 705.472.5419 x. 5991.
- **Attendance is MANDATORY**, lack of attendance will result in removal from course.
- E-Learning students will receive a welcome email from their teacher to their registered email address.
- E-Learning students will need access to a device and reliable internet to connect to course content.

E-Learning

REACH OUT TO YOUR GUIDANCE COUNSELLOR FOR MORE INFORMATION ON HOW TO REGISTER.

Summer of the Arts

Welcome back to in-person learning this summer with grade 9 & 10 Integrated Arts (**ALC10/20**), and grade 11 & 12 Exploring & Creating in the Arts (**AEA30/40**) courses being offered at West Ferris Secondary School. Build on or start your artistic talents this summer while earning a high school credit. Courses run from 9am-3pm each day, students must have their own transportation provided. Attendance will be closely monitored. See your guidance counsellor for more information.

Cooperative Education

Students working to complete the experiential learning requirements for their SHSM certificate and those students requiring coop credit(s) to graduate will be given priority. Approved placements will be in-person. Please register with your guidance counsellor. One & two credits available for the **GWL30** coop course.

SBI4U – Grade 12 Biology, University

Limited number of seats available.

Visit: <https://www.canadianecology.ca/highschool-credit-courses/credit-session-dates/> for more information on how to register.

Grade 8 High School Reach Ahead Credit

This summer the Near North District School Board is offering a reach ahead opportunity to current NNDSB grade 8 students to receive a high school credit prior to beginning high school. This course focus on learning strategies to help students become more successful, more independent learners. Students will learn to develop and apply literacy and numeracy skills, personal managements skills, and interpersonal and teamwork skills to improve their learning and achievement in school, the workplace, and the community. The course helps students build confidence and motivation to pursue opportunities for success in secondary school and beyond. *A GLS10S or GLE10S credit will be granted upon successful completion of the credit.*

NNDSB STEM Camp

Want to learn how to: Fly drones, code, create robotics, solve real world problems? On location at West Ferris Secondary School, **students in grades 7-10 this school year** are eligible to be a part of our very first STEM Camp. For three weeks in the mornings, students will get hands on experience with STEM education while learning foundational literacy and numeracy skills. Principal recommendation required to participate. Mornings 9am-12pm, running July 4-22 at West Ferris S.S.

Dual Credits

Contact our co-terminus board at NPSCDSB for more information.
