

Near North District School Board

Registration during the Summer for 2025-26:

The Near North District School Board (NNDSB) is committed to ensuring a smooth and equitable registration process for all students during the summer months. Please review the following information carefully before submitting a registration request.

1. Program Availability

- **Specialized and Self-Contained Programs:**

No applications for specialized or self-contained programs will be processed during the summer registration period. This includes, but is not limited to:

- Special entry programs such as *LEAD, IB, Steam, Arts Nipissing, Near North Sports, and Hockey Canada Skills Academy*
- Self-contained Special Education programs
- Education and Community Partnership Programs (ECP)

- **Regular Classroom Placement:**

All students who register during the summer will be placed in a regular classroom setting. Consideration for placement in specialized or self-contained programs will be reviewed upon school reopening during the week of August 25, based on:

- Program availability
- Eligibility criteria specific to each program
- Space and staffing considerations
- Extended French registrations require Principal approval and will also be reviewed upon school reopening during the week of August 25th.

2. Secondary School Timetables

- Secondary students will be notified when they can schedule course selection meetings upon return of school office staff during the week of **August 25, 2025**. Please note that a timetable will not be available until course selection is completed. We appreciate your patience and understanding during this process. Students with previously earned secondary credits should bring a credit course summary (if available).

3. Transportation

- Please complete a "Transportation Form" and provide all addresses for transportation (ex. home and childcare) at that time. Include any medical needs or equipment, joint custody situations, childcare locations, and your new address. **Please note that completing a form doesn't guarantee that transportation is available.**
- Transportation is always subject to eligibility (based on NPSSTS guidelines) and is provided on a permanent, daily basis. Schedules (i.e. daycare 2 days/week) and temporary changes (ex. caregiver is out of town) are generally not accommodated, but this decision is made directly by NPSSTS.
- NPSSTS does not make changes to bus routes (i.e. no new bus stops or changes to route paths) during the two weeks before school starts and the first three weeks of school. Students will be assigned to existing stops only. All changes requested at this time of year may take longer to be processed, regardless of whether or not there is an associated route change. Please go to the Consortium website for more information (npssts.ca)

3. Contact and Support

- For general inquiries during the summer, please email info@nearnorthschools.ca or visit our website for updates and resources.
- School offices are closed from June 27th to August 24th, 2025. School-specific questions will be addressed once administrative staff return on August 25th
