### **BUS ROUTES FOR NEXT SCHOOL YEAR NOW AVAILABE**

The Nipissing-Parry Sound Student Transportation Services has opened its website to parents and guardians to review school bus routes for the next school year. Effective today, those who have parent portal accounts can go in and review the transportation details for their children.

All parents and guardians are encouraged to create a portal account and subscribe to our Notifications module to receive alerts through email and text messages. Instructions can be found on our website at [www.npssts.ca](http://www.npssts.ca).

We suggest reviewing transportation details periodically leading up to the first day of school as changes will continue to be made.

Any inquiries regarding changes to routing can be directed to the NPSSTS via email at [info@npssts.ca](mailto:info@npssts.ca). They will be reviewed and forwarded to the appropriate NPSSTS route planner or school board for processing.

Also new this year is an [OPT OUT and OPT IN](#) process. Details on this change are also available on the website by clicking the appropriate scrolling banner at the top of the homepage.
