

Securely Accessing Class Teams Meetings

- Accessing Teams through a Chrome browser instead of the Teams app helps to ensure you're signed into your NNDSB account and supports with secure access to the meeting
- Using Chrome as a browser, go to www.nearnorthschools.ca
- Click the door icon in the upper right corner and sign in with your NNDSB username and password

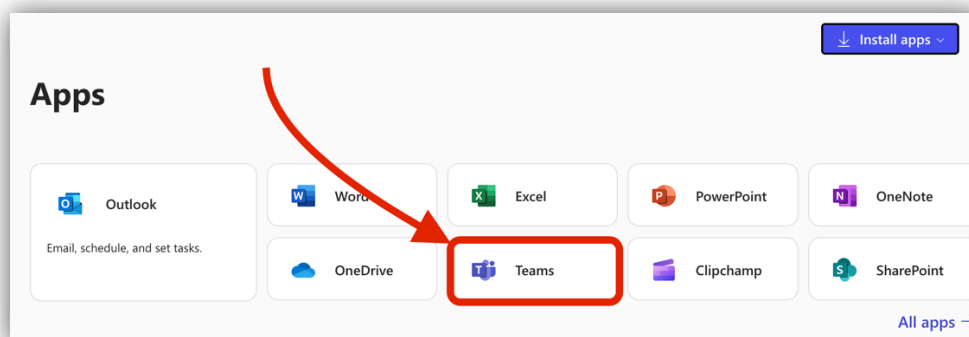

- Select Microsoft Teams from the Learning Resources menu:

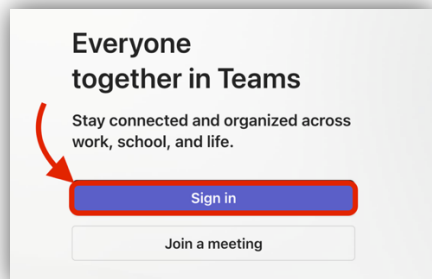

- If prompted enter your full @nearnorthschools.ca e-mail (or select your e-mail if displayed):

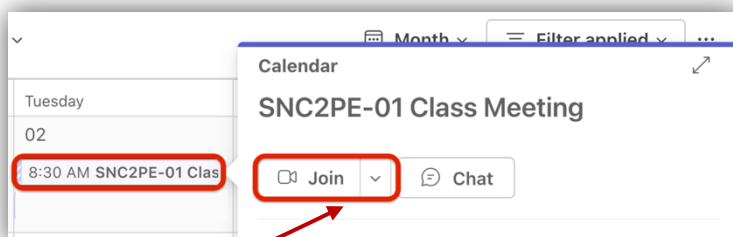

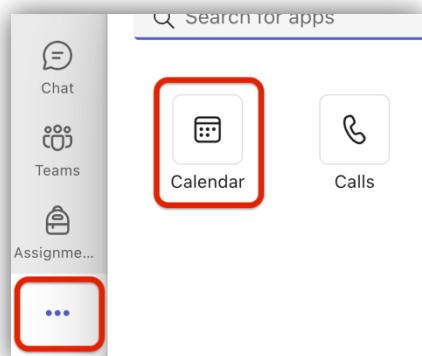

- Select Teams:

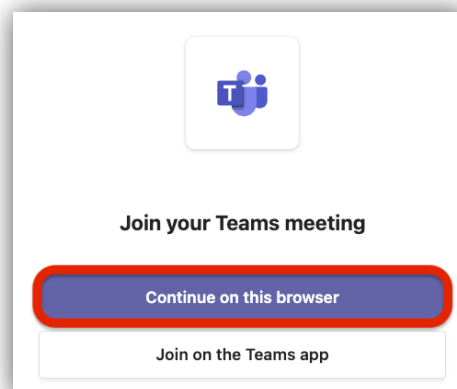

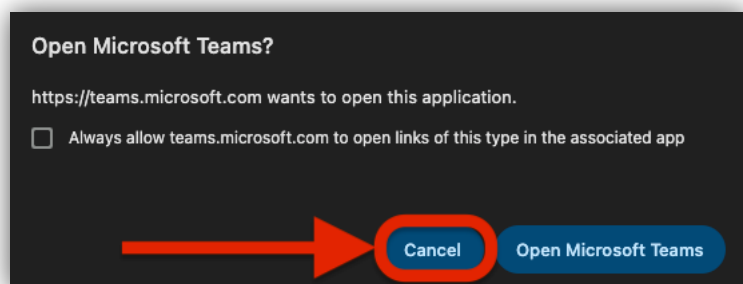

- Click Sign in (if prompted):

- Select the Calendar icon (If there's no calendar icon, click the ... to find it):

- Select your class and click Join:
- If you're ever prompted to "Open Microsoft Teams", select cancel and choose "Continue on this browser":

- Click Join Now:
