

Wednesday, Dec. 10. 2025

Dear White Woods families;

Starting tomorrow, December 11, all White Woods students will temporarily attend classes at Northern Secondary School. This relocation is necessary while remediation and deep cleaning take place following the recent classroom fire, and we expect students to return to White Woods after the holiday break. Student safety and well-being remain our top priority.

To support this transition, furniture and resources are currently being moved to Northern Secondary School, and all items will be thoroughly cleaned before being relocated.

Here are a few key details explaining what this transition will mean for students and families:

- **Location:** Most of the students will be situated on the main floor of Northern Secondary School, with the exception of one class, which will be located on the second floor.
- **Lunch and Recess:** Students will eat lunch in their classrooms and will be escorted by staff to the White Woods schoolyard for outdoor recess.
- **Washroom Access:** Appropriate access has been arranged to ensure washrooms are in close proximity to JK-8 classrooms.
- **Transportation:** There will be no changes to bussing arrangements. Pick-up and drop-off times and locations remain the same.
- **Support:** Additional central staff—including teachers, mental health professionals, and members of our special education team—will be on-site to ensure students and staff are well supported.
- **School Office:** The White Woods office will operate from Northern Secondary School. You can continue to reach office staff at extension 8166.

We are confident that White Woods will be ready to welcome students back following the Winter Break (January 5). Thank you for your understanding and support as we work to ensure a safe and smooth transition for all students.

If you have any questions, please do not hesitate to contact the school office.
